

CERTIFIED TRADEMARK PRACTITIONER

Our law firm can provide the following services:

01.

Determining the correct sources of EU trade mark and Community design law to be applied to specific cases;

02.

Presenting cases without procedural errors and with well-structured evidence;

03.

Selecting appropriate types of trade mark according to the needs of the clients;

04.

Preparing high-quality trade mark applications;

05.
Identifying all
potential absolute
grounds for
refusal;

06.
Drafting effective
responses to trade mark
objection letters;

07.
Effectively
attacking or
defending EUTMs
on absolute and
relative grounds
for refusal;

8

Effective dispute resolution before the Boards of Appeal;

9

Managing the procedural issues arising during opposition, invalidity and appeal proceedings;

10

Filing a request for annulment before the General Court;

11

Understanding the system of judicial review before the Court of Justice;

12. Managing entries and amendments in the EUIPO Register;
13. Preparing high-quality design applications;
14. Identifying all potential grounds for Community design invalidity;
15. Drafting effective responses to Community design objection letters;
16. Effectively attacking or defending Community designs on grounds for invalidity.
